Acceptable Use Agreement for Public Access Computers

1. Computers with internet are available on a first come, first-serve basis for 1 hour only if others are waiting to use them. Computers for word processing may be used for 2 hours. Printing is 15 cents a page black and white, 25 cents color.
2. Patron agrees to abide by the Library's Computer Use Policy (posted at the workstation) each time a computer is used.
3. While using the Library's internet stations, the patron is not permitted to
 - Add software or download software onto the hard drive (Patrons may download information onto their own flash drive, but the library is not responsible for viruses, worms or other damage to the patron's computer resulting from such downloads.
 - Change configuration, software or alter any files.
 - Attempt to damage computer equipment or software.
 - Violate copyright laws or software licensing agreements.
 - Use workstations for illegal or criminal purposes.
 - Engage in any of the following activities: Libeling or slandering others. Uploading a worm, virus, or other harmful forms of programming or vandalism. Participating in hacking activities or any form of unauthorized access to other computers, networks or information systems.
4. Destruction or damage to equipment due to willful misuse or willful removal or any part of the computer or software will result in expulsion from the library and legal action. Patrons whose behavior or actions at the computer stations constitute a nuisance to others may be asked to end their session or leave the library.
5. The library will conform to all local, state & federal laws regarding access to materials harmful to minors (TCA § 49-1-221).
6. Internet users should avoid disclosing personal information to preserve their personal safety. Internet users are prohibited by law from disclosing personal information regard minors without written authorization of the parent or legal guardian or the minor.
7. In accordance with Tennessee Code Title 39, chapter17, part 9 sending, receiving, or displaying text or graphics that may be reasonable construed as obscene by community standards is prohibited, regardless of age.
8. Internet users are prohibited from using library computers to compromise the safety and security of minors when using email, chat rooms, and other forms of direct electronic communications. such use includes, but is not limited to giving others private information about one's self or others or arranging a face to face meeting with someone met on the internet without a parent or legal guardian's permission.
9. Staff will assist patrons in using computers, but they may not always be familiar with specific programs that patrons wish to use. Therefore, the patron is responsible for learning how to use the program. the patron is responsible for his/her internet search. Staff cannot provide in-depth training in the use of the internet and trained help may not be available for help at all times.
10. Users should be aware that the internet is not a secure medium and third parties may be able to obtain information regarding user's activities.
11. Staff may require children under 10 to have supervision for use of the computer and/or internet. Staff may not be available for help with games, word processing or internet at all times.
12. The Library is aware and adheres to the CIPA(Children's Internet Protection Act) (www.fcc.gov/consumers/guides/childrens-internet-protection-act)

I have read, and understand and agree to the follow the rules and regulations for use of computer/internet services provide by the Hickman County Public Library System.
